

PADI Advanced Open Water Diver

The Advanced Open Water Diver course gives you the perfect opportunity to gain additional diving experience and confidence under the watchful eye of one of our instructors. This is a great way to enhance your skills and learn some new ones. Successful completion allows you to dive to 30 metres.

During your Advanced Open Water Diver course you will experience five different facets of diving such as:

- Deep (30m)
- Navigation
- Night
- Wreck
- Drift
- Underwater Naturalist
- Boat Diving
- Search and Recovery

Pre requisites

- Certified as an Open Water Diver

Course Details

Friday Night is spent at the shop reviewing the knowledge reviews that you have completed. Following this you will enjoy a night dive under one of the local piers. Saturday involves two dives. The first being a boat dive on a wall to 30 metres where a narcosis check is done. The second being a navigation exercise at the pier. Sunday involves two dives. The first to the J4 Submarine followed by a search and recovery dive at the pier.

Cost **\$425.00** per student and includes:

- PADI Advanced Open Water Manual
- Air fills for the course
- 1 Night Dive
- 2 Shore Dives
- 2 Boat Dives
- PADI Advanced Open Water Diver certification

Please Note: Ask about our special equipment hire charge. See our staff for details.
