

## PADI Divemaster

As a PADI Divemaster you are entitled to work as a dive professional anywhere in the world. A divemaster can do the following:

- Take certified divers on Discover Local Diving experiences
- Conduct PADI Scuba Reviews for certified divers
- Be a guide on dive tours for PADI scuba divers
- Conduct PADI Discover Snorkelling programs
- Conduct PADI Skin Diving programs
- Assist PADI Instructors
- Work on live-aboards, resorts and dive shops

## Pre requisites

- Aged 18 years or older
- Have a current and recognised CPR & First Aid certification (within 2 years)
- Certified as a PADI Rescue Diver
- Minimum of 20 logged dives (60 logged dives required for certification)
- Have a current diving medical

## Course Details

We have designed this course around you. You can complete the Divemaster program at your earliest convenience. Once booked on the course you will receive your study materials required to complete the Divemaster Course. There are 12 knowledge development modules and 8 exams to be completed. The majority of this will be done as self study with some classroom time and instructor tuition.

## Topics covered include:

The Role and Characteristics of a PADI Dive Master Dive Theory introduction:

Supervising activities for certified divers	Physics
Assisting with student divers in training	Physiology
Dive Master conducted programs	Equipment
Furthering your dive career	Decompression theory and tables
Business of diving	Risk Management

The practical component is designed to enhance and develop your scuba diving skills to instructional standards. Firstly there are some assessments to be completed.

## Water Skill and Stamina assessments include:

400m swim    800m snorkel swim  
15 minute tread water            100m tired diver tow  
Diver Rescue    Perform the 20 basic scuba skills to demonstration standard

## Other training exercises to complete:

- Production of a dive map
- Underwater equipment exchange
- Lead a Dive Master conducted program

You will also take part in an Internship where you have the chance to get some hands on experience assisting with PADI diver courses.

## Cost \$1200.00 per student and includes:

- PADI Divemaster Manual
- PADI Divemaster Slates
- PADI Encyclopaedia of Recreational Diving
- PADI Diving Knowledge Workbook
- Air Fills
