

## PADI Rescue Diver

The Rescue Diver Course is a lot of fun mixed in with some hard work. It will increase your awareness of diver safety and prepare you to be able to manage diver emergency situations. It is also a stepping stone and prerequisite for the PADI Dive Master certification.

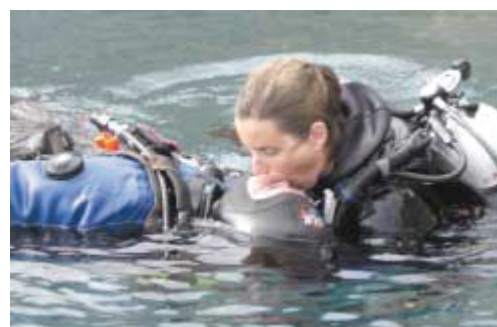

## Pre Requisites

- Aged 15 years or older
- Certified as an Advanced Open Water Diver
- Have a current and recognised CPR & Basic First Aid certification (within 2 years)

## Course Details

- Upon booking in for the Rescue Diver Course you will be given a PADI Rescue Diver Manual to read and complete the knowledge reviews. Also a DVD for you watch prior to the Friday night theory session.
- Friday night is spent recapping the theory and knowledge reviews and discussing rescue scenarios for the practical sessions.
- 2 days of shore based diving are conducted. Over the duration of the course you will partake in many different rescue scenarios in the open water which include:

Self rescue and diver stress  
Diving first aid  
Emergency management and equipment  
Equipment considerations  
Rescuing tired/panicked divers  
Response from shore/boat  
Swimming and non swimming rescue techniques  
Missing diver procedures  
In water rescue breathing protocols  
Surfacing an unconscious diver  
Exiting water with an unconscious diver  
First Aid procedures for pressure related injuries  
Accident management  
Emergency oxygen delivery systems and AED use

Upon satisfactory completion of the course requirements you will be certified as a PADI Rescue Diver.

Cost **\$395.00** per student and includes:

- PADI Rescue Manual for you to keep
- Rescue Slate (for recording information)
- 2 days of shore diving
- PADI Rescue Diver certification

Please Note: Ask about our special equipment hire charge. See our Friendly staff for more details.

**Please Note:** This is a physical course so a certain level of fitness is required

Where to from here?

Once the Rescue Diver Course is completed you can apply for the Master Scuba Diver qualification and or enrol in the Dive Master Course.
