DIVES

Join Dive Line in Palau, and dive some of the most diverse waters in the world! Palau is a haven of marine ecosystems include barrier and fringing reefs, lagoons, sea grass beds, marine lakes and mangrove forests. The water's here boast some of the world's best reefs and concentrations of the most spectacular marine life in the world. Inquisitive sharks, friendly dolphins, manta rays, tuna and barracuda - all are prolific in the rich Palau waters and every dive holds something new and breathtaking. There are dive sites to suit all levels of experience with the two best sites being "Blue Corner" and "Blue Holes" These pristine habitats support some of the world's richest populations of marine life. With over 1,500 species of fish, pelagics, corals and a number of WWII wrecks. Palau should be on every diver's bucket list.
