Join DiveLine on this unforgettable trip to dive the reefs of Pohnpei in Micronesia! Pohnpei is famously home to "Manta Road", a feeding channel for these magnificent Pelagics. Here you will also find stunning sea walls, mounts, channels and crevices full of marine life. Any dive here is likely to provide you with gorgonians, turtles, a huge variety of tropical fish, and sharks. This is a great opportunity to visit this tropical island and dive in some beautifully warm and crystal clear waters.
