Join DiveLine on this unforgettable trip to dive the wrecks of Truk Lagoon! In February 1944, US Forces launch Operation Hailstorm here, Japan's Pacific base during World War II. The Japanese were caught unaware and lost over 275 aircraft and 45 ships. Diving here is packed to the brim with plane wrecks, artillery shells, torpedoes, tanks, bow & stern guns. You will also find an abundance of anemones, tropical fish, sharks and eagle rays, with depths ranging from 10m to 60m & little current. Truk is the ultimate wreck diving destination, so be quick to secure your spot on this amazing trip!
